

Elevate Your Recruiting

Obtain confidence in your social-media recruiting activities and uplift your employment brand with myStaffingPro® Elevate.

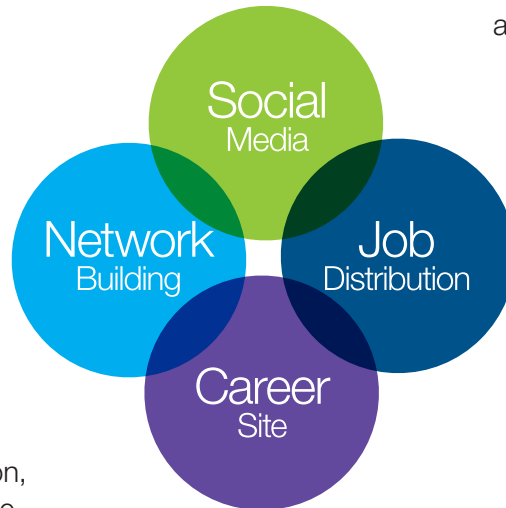

“More than one-third (38%) of companies are not confident in the effectiveness of their social recruiting processes.”

– Ventana Research®

Features of myStaffingPro Elevate

Harness the possibilities of your online employment brand with myStaffingPro Elevate:

- Social media tools to share job openings and provide one-click access to apply from LinkedIn®, Twitter®, and Facebook®.
- Job distribution to search engines and more than 25,000 partner sites.
- Network building through employee referrals and vast communication tools.
- Career site branding, optimization, and accessibility through multiple Web browsers and mobile devices.

Benefits of myStaffingPro Elevate

- Engage with candidates to build relationships.
- Expand your recruiting reach to attract a diverse candidate pool.
- Boost employee referrals.
- Strengthen your employment brand and culture.
- Reduce hiring time and cost per hire.

Elevate is free and integrated with myStaffingPro applicant-tracking system for seamless searching, tracking, and communicating.
